

Mill Creek Community School Corporation: Federal COVID-19 Relief Spending

Across Indiana, \$2.8 billion in federal funding has been allocated to local school districts to help address schools' COVID-19 related needs.

Here at Mill Creek CSC we have been allocated \$2,341,874.42 from three rounds of Elementary and Secondary School Emergency Relief (ESSER) funding – which is based on the district's share of the state's Title I allocation – and federal Governor's Emergency Education Relief (GEER) funds.

Over the last two years, we developed plans for how to strategically and sustainably deploy these funds to successfully accelerate student learning, support our educators, make a sustainable impact on innovation across our schools, and provide wifi hotspots for home learning opportunities.

[ESSER I, II, & III 12/8/21](#)

Looking ahead, we plan to continue to employ teachers and interventionists to best support students' needs and close the learning gap impacted by COVID. Per federal law, we have through September 2022 to encumber the first round of ESSER funding and through September 2023 and September 2024, respectively, to encumber the second and third rounds of their ESSER grants.

Funds are available for all school districts through a reimbursement process for approved expenses in the spending plan. Track Mill Creek CSC's current uses and reimbursements of these funds [here](#).

For more information on Mill Creek CSC's federal COVID-19 relief funding, please contact Superintendent, Jim Diagostino, or Asst Superintendent, Stacey Monnett.
